Was at Simon the Leper's house in Bethany

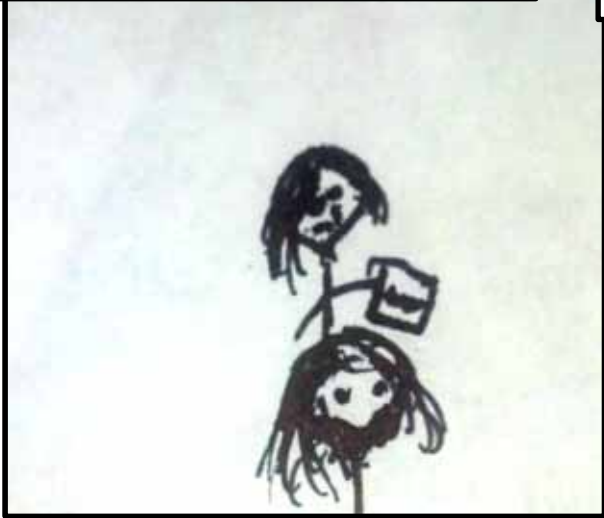

Mary, a sinner in the town found out about this

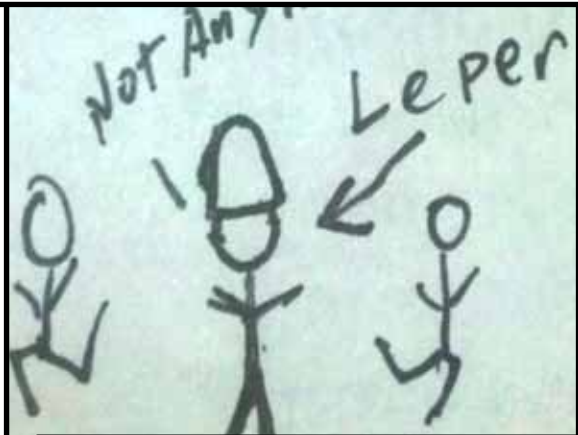

So she went over to Simon's house with very expensive perfume

She weeped as she poured the

Simon the Leper thought out
loud, "Doesn't he know that this
woman is a horrible sinner

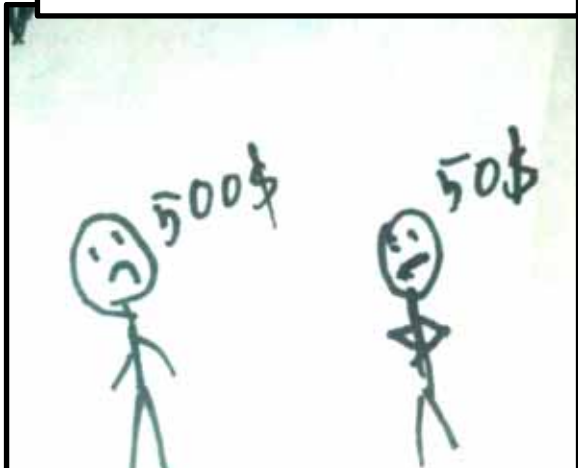

(which is ironic because
Simon used to be a leper)

Jesus heard this
(because he's Jesus)

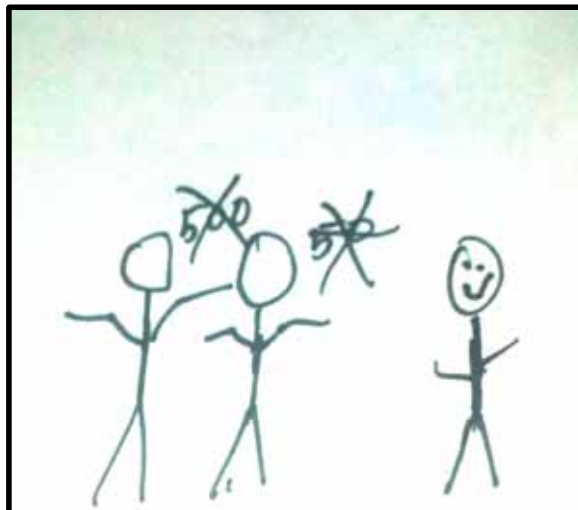

And decided to explain it to him
in a parable

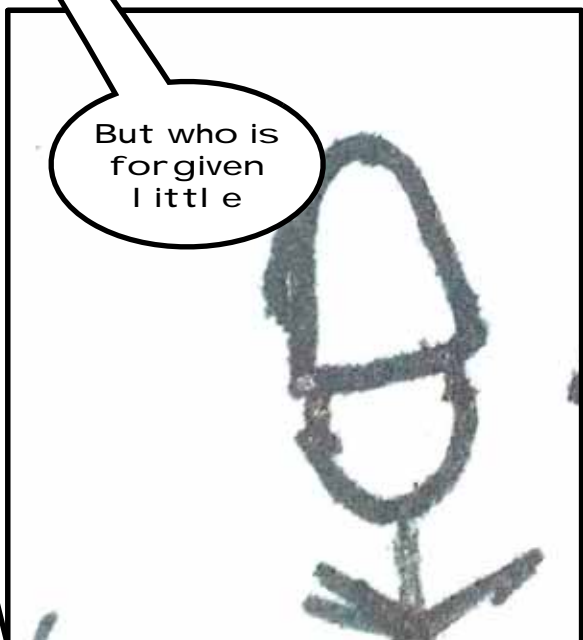

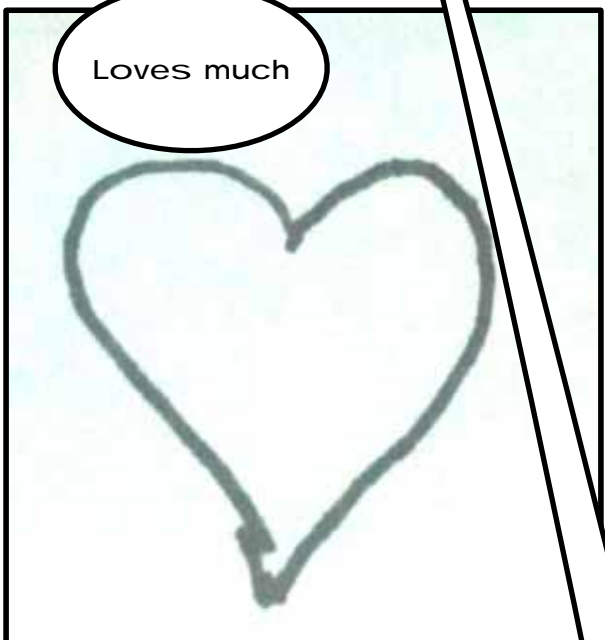

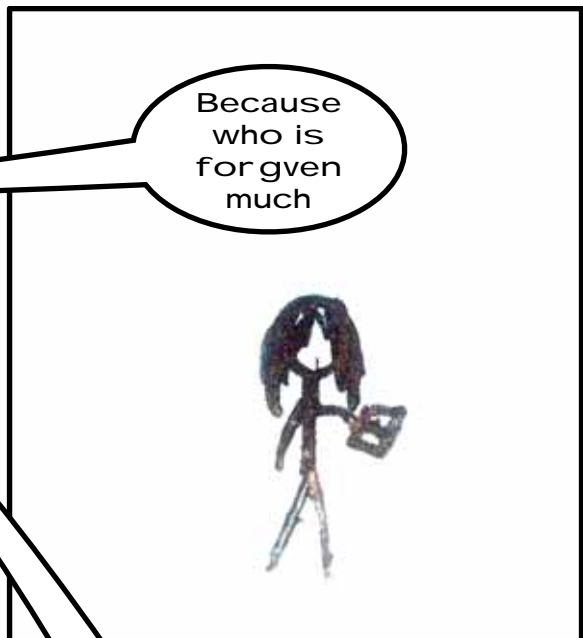

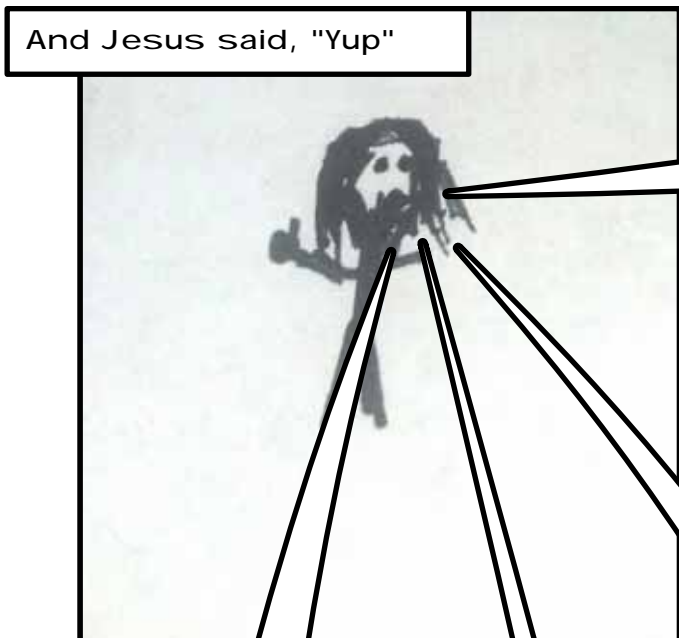

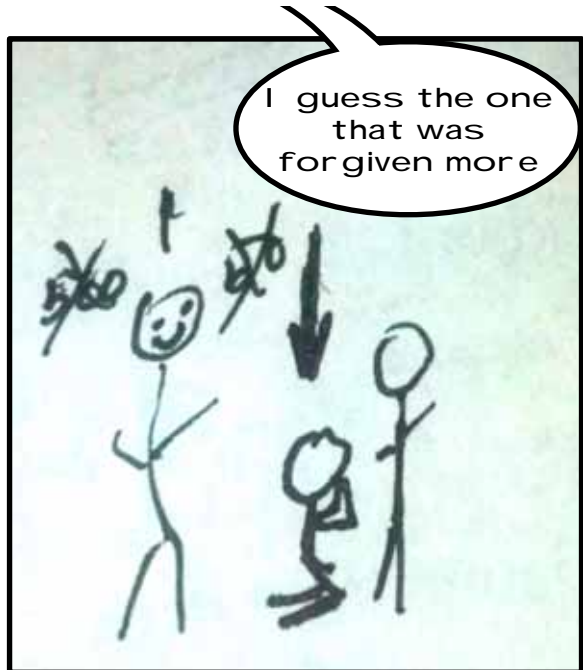

Say there's two men, one
owes 500 and the other owes
50 Denarii to a money lender

But neither can pay
off the debt!

So the money lender says
don't worry about your debts I
forgive you
